## FACIAL DESIGNS PERMANENT COSMETICS, LLC

### APPRENTICESHIP PROGRAM

This Apprenticeship Program is designed to assist a student in acquiring the required number of hours and procedures to be performed for licensing regulations in their state. (e.g., The State of Missouri, Office of Tattooing, Division of Professional Regulations & Licensing requires a total of three hundred (300) hours training and documented apprenticeship to include 50 procedures performed by student and supervised by trainer or other practitioner licensed in the same field.)

As an Apprentice, student is required to provide their own models for eyebrow, eyeliner and/or lip liner procedures. The Apprentice will also be required to use their own machines, disposable instruments, topical anesthetics and pigments for the procedures.

Facial Designs Permanent Cosmetics, LLC will provide the facility and other general supplies for the procedures to be performed. The supervising practitioner/trainer of Facial Designs shall be present during entire procedure and shall document all procedures performed by the Apprentice. A Licensed Practitioner Certification of Apprenticeship shall be given to the Apprentice for their licensing requirements with their respective state.

The Apprenticeship fees are as follows:

Eyebrows	\$ 125.00 each
Eyeliner	\$ 125.00 each
Lip Liner	\$125.00 each
Full Lip Color	\$200.00 each

Follow-up appointments will be an additional \$75.00 each for eyebrows, eyeliner or lip liner, and \$125.00 for full lip color.

All apprenticeship fees will be due and payable to Facial Designs Permanent Cosmetics, LLC on each day the apprenticed procedures are completed. In the event that Apprentice requests trainer of Facial Designs Permanent Cosmetics to travel to their own location in their hometown for apprenticeship, Apprentice shall be liable to pay for travel costs incurred by Facial Designs Permanent Cosmetics including mileage and lodging, if any.
